

# Texas Coastal Wonders!

## Spotlighting Rockport and Fulton

March 8 - 11, 2022

(4 days - 3 nights)

### Tuesday, March 8

Today will be an exciting day with passengers boarding for our tour to South Texas. Routing through the Hill Country we will continue to the area of Rockport and Fulton, a Premier Texas Coast Destination! Our hotel for the next three nights is situated on the waterfront at the entrance to Fulton Harbor in Rockport. Located on Aransas Bay, it offers magnificent views of both the bay and the Texas Gulf Coast.

### Wednesday, March 9

This morning we will make the short drive to Corpus Christi, a city with a population of more than 258,000. The Port of Corpus Christi is the fifth largest port in the United States and cotton was once King of the port, but has taken a back seat to petroleum products, which account for 87% of the cargo. Next YOU decided between a visit to the Texas State Aquarium OR the USS Lexington. The Texas State Aquarium's living displays including sharks, endangered sea turtles, and river otters, are designed to give the sensation of gradually immersing deeper and deeper into Gulf waters. Located on the Corpus Christi beach, the aquarium is dedicated to the aquatic inhabitants and habitats of the Gulf of Mexico. Perhaps you would rather spend your time next door at the USS Lexington, nicknamed "The Blue Ghost", is an Essex-class aircraft carrier built during World War II for the United States Navy. Originally intended to be named Cabot, word arrived during construction that USS Lexington had been lost in the Battle of the Coral Sea. This WWII vintage aircraft carrier delights visitors of all ages.

### Highlights Include:

- 3-nights at Lighthouse Inn (Rockport) with beautiful sunset views overlooking the Bay
- Whooping Crane Boat Excursion
- Dolphin Cruise
- Fulton Mansion
- Texas Maritime Museum
- Choice of Texas State Aquarium OR USS Lexington
- Corpus Christi City Tour
- Free time Downtown Rockport
- "The Coming King" Sculpture Garden - Kerrville

Next we make our way to Port Aransas for lunch before boarding our afternoon dolphin watch nature tour. With cameras posed, we will be on watch as Bottlenose dolphins play in their natural habitat. Bottlenose dolphins are found in temperate and tropical waters around the world. They inhabit a wide variety of habitats, including harbors, bays, and gulfs making this the perfect spot to watch them play. This evening enjoy time in Rockport with the perfect of the sunset over the bay.

### Thursday, March 10

From November to the end of March over 265 Whooping Cranes call the Aransas Wildlife Refuge home. This Aransas-Wood Buffalo flock is the world's only wild migrating flock of Whooping Cranes. Aboard our boat, *Skimmer*, with our experienced captain we will learn about Aransas, its wildlife and its history. *Skimmer* is the only vessel that will get passengers to the beautiful back bays, rookery, and barrier islands. With only a 2- ft draft and quiet environmentally friendly Honda power we will be able to get closer for viewing and photographing wildlife.

Enjoy some free time and lunch on your own in downtown Rockport before we will visit the Texas Maritime Museum and experience the rich maritime heritage of Texas from Spanish exploration to the search for offshore oil and gas. With changing exhibits and interactive displays visitors experience how Texas has relied on the sea. Next up we will tour the Fulton Mansion, completed in 1877. The ornate four-story house was the first in South Texas to feature systems such as indoor plumbing, gas lighting, and centralized heating. Purchased by Texas Parks and Wildlife in 1976, the house was restored to its original splendor and opened to the public in 1983. Originally named "Oakhurst" by George Ware and Harriet Smith Fulton, the mansion exemplifies classic French Second Empire architectural styling. The grounds are available today for weddings and portraits.

**Friday, March 11**

This morning it will be necessary to leave our hotel on Aransas Bay and the peaceful sounds of the water to begin our journey to West Texas. After routing through San Antonio, we will stop for lunch in Kerrville. However, before leaving Kerrville, you will be for one more incredible experience as we stop at the Coming King Sculpture Prayer Garden. This the 24.5 acre garden park is built with the sole purpose of sharing the glory of Jesus Christ. Over 120,000 people a year visit this unique spiritual garden. We will then make our final stretch back home. We will say "good-bye" to the friends with whom we have shared our great TEXAS tour.
